ELECTRONIC FUNDS TRANSFER (EFT) QUESTIONS & ANSWERS

How do I sign up for EFT?

Simply complete the form on the reverse side and return it to our office with a voided check.

When will the EFT begin?

Our office needs to receive the completed EFT form and voided check at least 15 business days prior to the due date you would like the EFT to begin. *If the documentation can not be sent to us within that time period, be sure to pay your current premium statement in full and we can set the EFT to begin with the next billing period.*

Will I be notified when/if the draft amount is going to change?

Yes, you will be notified in advance if there is a premium rate adjustment for the entire group, or if a rate adjustment is necessary due to the attained age of you or your covered spouse.

Is there a charge for the EFT service?

There is no charge from our office for the service; however, some financial institutions may charge for automatic payments. Ask your bank about any possible fees.

Is it safe and secure?

Yes, both our office and our financial institution are required to keep your banking information confidential.

Will I still receive a premium statement in the mail?

No.

What if I change banks or accounts?

Call our office at least 45 days before the premium due date; tell us you have been paying your premiums through EFT, and that you have changed banks/accounts. We will send an EFT form for you to complete and return with a voided check from your new bank/account. Once the completed form and voided check are received in our office, we can make the change.

What if a payment is returned by my bank?

Payments may be returned by a financial institution for insufficient funds, closed accounts, or other reasons. If your payment is returned, we reserve the right to charge a processing fee. We also reserve the right to discontinue your participation in the EFT payment program if your payment is rejected more than once during a six-month period. Your financial institution may also charge fees for rejected payments.

How do I stop participating in the EFT payment program?

Simply call our office and notify us that you would like to stop EFT. Your request will become effective 5 to 7 business days after we receive your notification.
